

## Chapter 5 Learning Target Roadmap

I can talk about interests.

I can explain what I do using faire.

I can form a question.

I can talk about how often someone does an activity.

I can explain to what extent using adverbs.

I can extend, accept, and refuse an invitation.

I can explain that I am going and what I am going to do using aller.

I can explain that I am coming using venir.

I can use idioms with avoir.

**Destination: I can make plans in the target language.**

**I can explain what I am going to do using the verb aller.**

## End Product

**Student A:** I can write a two to three paragraph essay describing what I just been doing and what I am going to do during a future break or vacation.

**Student B:** I can develop a planned conversation describing what I am going to do in the future.

**Student C:** I can write a collection of sentences describing what I am going to do on a future break or vacation using sentence starters.
